

56-512 Hycar Aprons

Heavy-duty cold-resistant Hycar® nitrile apron, for chemical splash protection and puncture and abrasion resistance

- Specialized protection: The AlphaTec® 56-512's construction is composed from a flexible, durable 17-19 mil Hycar® nitrile blend with a sewn-edge finish, withstanding chemical splashes, oil, punctures, and abrasion
- Added defenses: Thanks to its robust poly/cotton reinforcement, this robust protective apron delivers even better personal protection and remains easy to clean and use
- Optimized fit: With sealed grommets and twopiece 48-inch ties, this safety apron grants wearers greater adjustability, without risk of tear-out, for a truly comfortable, consistent fit
- Improved durability: The AlphaTec® 56-512's Hycar® nitrile construction ensures it is hardwearing over time, making it a cost-effective solution for heavy-duty applications

Industries

- Food Processing
- Life Sciences

Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

56-512 **Hycar Aprons**
