Description

Sometimes, you don't need an entire set of protectors. You just need a quick way to ensure that people don't trip over your hoses or damage your cables. And that's where Linebacker comes in.

These drop-over cable protectors are constructed of all-weather polyurethane, designed to be durable, lightweight, and easy to transport, setup, disassemble and store.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote with your specific requirements.](#)

Intended to protect cables and hoses with a diameter of up to 2.25", this protector is suited for both heavy-duty, high load-bearing operations as well as general-purpose use cases. And with its patented T-Connectors, it's capable of extending to any length, so your cables are covered no matter how far they go.

Specifications

Model No	CP1X225-GP-DO-O
UPC	812958000564
Brand	Checkers Safety™
Color	Orange
Quantity Included	1
Pallet Quantity	51
Load Capacity Per Axle	23400 lbs
Load Capacity Per Tire	11700
