

**NEW!**

# Miller Personal Fall Limiter Kit for Aerial Lifts

*Now available in a durable carrying case!*

## Kit Includes:

- Miller TurboLite™ Personal Fall Limiter**  
Extremely compact and lightweight, the Miller TurboLite PFL provides 6-ft. (1.8 m) working capacity; unit attaches directly to the harness back D-ring for greater mobility and versatility.
- Miller Full-Body Harness**  
Fully adjustable and lightweight, the Miller harness features 5-points of adjustment and is designed for all day comfort and dependability. Stand-up back D-ring for easier connection; Fall indicator.
- Durable Carrying Case**  
Convenient and durable bag completes this easy-to-access kit.
