

KStrong® Megapod™ 7 ft. Adjustable with Dual Build-In Pulley Assembly and Storage Bag

Model: UFT510007

DESIGN

- Adjustable height from 55.19" (1.40m) to 88.58" (2.35m) from ground level.
- Adjustment achieved by sliding telescopic legs
- Locking pins attached by SS cables
- Securely connected eyebolts (2) to be used for connection to personal protective equipment
- Two pulley system provided to pass the wire rope of winch mounted on one leg and retrieval block on the other leg simultaneously
- Includes two (2) pre-installed Universal Lower Assembly Mounting Bracket Receivers (UFT510010B2) for the quick mounting of KStrong material/personnel winches.

Special Note: Installation of a KStrong 3-Way Rescue/Retrieval SRL-R requires an additional upper mounting bracket (Part # UFT510010B), which is sold separately.
